Such freedoms for people here in Canada . . . for example, that NDP clown Mulcair - first he's a Liberal, then he tries to join my party, then he becomes an NDPer and becomes their leader. Then there's Trudeau - just because his daddy was Prime Minister, he thinks its his God-appointed position in life. I need a majority to crush these pissant pipsqueaks and show them their true place in Canada.

Conservative Party of Canada

Even if the Opposition finds out about the real source of last election's ROBOCALLS, I think that I can still finangle a majority government.

All I have to do is allow one cockamamie terrorist birdbrain to "succeed" in perpetrating an attack somewhere on Canadian soil, sacrifice a few nobodies, and BINGO! it's a guaranteed slamdunk majority government for the good guys + gals in Harperland.

Conservative Party of Canada

Canadians don't realize how good they have it. They seem to forget that it is I, Stephen Harper, who is the only thing standing between them and an invading horde of blood-thirsty, savage, depraved ISIS militants who are hell-bent on turning my beloved Harperland into some sort of Islamic Caliphate. It doesn't help that Trudeau and Mulcair want to stop bombing them and play mollycoddling saps.

Conservative Party of Canada

I have to crush Trudeau and Mulcair. These pandering fools want to make soccer Canada's national sport instead of hockey. Where do these idiots get their lame-brained ideas from? The Taliban playbook?

If this were 1915 and not 2015, I'd put both these assholes through the motherfucking wringer. Then, just for kicks, I would hang them from the Peace Tower flagpole!

Conservative Party of Canada

Hmm… what's the best way to deal with my opponents after I trounce them on October 19th election night?

I think I will smash Mulcair's balls with that polo mallet I got for Christmas from Prince Philip.

And as for that young Liberal whelp Trudeau, I could taze him, waterboard him, then stuff him full of poison. Yeah, that ought to learn these stupid bastards a thing or two.

Conservative Party of Canada

In the national interests of open, accountable government, here is a breakdown of MP performance on that fateful October 22nd 2014 day:

Took pro-active, defensive measures	32%
Prayed to allmighty God	30%
Gibbered incoherently	19%
Shit their pants	9%
Assumed a fetal position	6%
Went temporarily catatonic	3%
Hid in closet	<1%
